SUMMARY

Highly motivated Software Developer with 1 year of experience building scalable web applications using React.js, Node.js, and Express.js. Skilled in developing REST APIs, responsive user interfaces, and solving complex debugging and performance challenges.

EXPERIENCE

Tech Sahyogi Innoventure Pvt. Ltd

Full Stack Developer

Oct 2025 – Present

India

- Developed and maintained **Academic 360**, an academic management platform managing student records, attendance, and academic operations for 500+ users.
- Built scalable RESTful APIs and responsive user interfaces, reducing manual academic workflow effort by 40%.
- Collaborated with developers to troubleshoot issues, optimize backend performance, and improve application response time by 30%.

DATA CHEF

Full Stack Developer

Jan 2025 – Oct

India

- Implemented full-stack applications using React, Node.js, Express.js, and PostgreSQL to deliver scalable features.
- Developed and maintained RESTful APIs for scalable and secure data operations.
- Collaborated on 2+ projects, participating in code reviews and debugging to ensure optimal performance.

Sukusala Technologies

Frontend Developer Intern

Jun 2024 – Jan 2025

India

- Designed and created interactive React components for a No-Code platform, improving usability and platform engagement.
- Implemented features including image upload and dynamic forms for the platform.

PROJECTS

Gen-UI Studio | React.js, Tailwind CSS, Zustand, Node.js, Drizzle ORM

Aug 2025

- Built a Generative AI platform that converts text/image prompts into responsive UI components with live preview.
- Integrated Gemini API for JSX/TSX and CSS generation with iterative editing and real-time refinement.
- Implemented a publish feature generating shareable public links for generated interfaces.
- Developed full-stack architecture using React, Node.js, Express.js, PostgreSQL, Zustand, and Tailwind CSS.

EDUCATION

Lovely Professional University

Bachelor of Technology in Computer Science and Engineering | CGPA: 7.37

Aug 2020 – Jul 2024

Phagwara, India

Kendriya Vidyalaya No.1 AFS Agra

Higher Secondary Education

Apr 2018 – Mar 2019

Agra, India

TECHNICAL SKILLS

Programming Languages : C/C++, JavaScript, TypeScript

Frameworks & Libraries : HTML5, CSS3, Tailwind CSS, React.js, Next.js, Zustand, Node.js, Express.js, RESTful APIs

Databases : MySQL, SQL, PostgreSQL

Dev Tools : Git, GitHub, Jira, Postman
